ISSUE:

Approve a resolution authorizing the purchase of a new Tymco 600 Sweeper.

SYNOPSIS:

Purchase a new Tymco 600 Sweeper valued at \$178,715.00, less \$65,000 trade-in value of a 2005 Tymco 600 Sweeper.

BACKGROUND:

Intermountain Sweeper submitted a proposal to the Public Works Department. The proposal qualifies under the provisions of the West Valley City Procurement Code 5-3-110, Procurement to Meet Existing Needs. The code allows the procurement of matching equipment when it is beneficial to operations and maintenance. The Fleet Manager and Operations Managers have negotiated the best price available. This purchase has been reviewed by the Finance and by the Legal Departments.

The sweeper being replaced is a 2005 Tymco 600, ICN 750959. This sweeper is being replaced one year earlier than normal, in order to balance equipment replacement expenditures over the next three years.

RECOMMENDATION:

Approve the purchase of the Tymco 600 Sweeper, with a Tymco Sweeper as a trade-in. Cost of the new sweeper is \$178,715.00, minus the trade-in value of \$65,000.00, with the net purchase cost at \$113,715.00.
